

Jawaharlal Nehru Technological University Kakinada,
Kakinada-533003, Andhra Pradesh, India.
University College of Engineering Kakinada
Department of Electronics and Communication Engineering

Course: B. Tech

Student Feedback – Suggestions Received:

- Electives should be relevant to the specialization stream.
- Lab equipment should be improved.
- Units relevant to the syllabus should be more familiar.

Faculty Feedback – Suggestions received:

- In Digital IC applications, case study should be involved in order to reach the industry requirements.
- In Digital IC applications, programmable logic devices and memories are not required because the students can study those topics in previous semester.
- IoT should be added to the syllabus.
- Advanced MMICs should be deleted from the syllabus.

Alumni Feedback – Suggestions received:

- Some more lab equipment upgrades and more relevant software incorporation in subject.
- Electives should be some more relevant to the present industrial training.
- Better electives can be improved.
